

HAMPSTEAD HOCKEY CLUB BULLETIN 25 OCTOBER 1976

Results	1st XI	2nd XI	3rd XI	4th XI	5th XI	6th XI
v. Cheam	0-1	0-1	2-0	1-2	0-0	2-2

I believe both the 1st and 2nd XI seem to be allergic to scoring goals. I don't know what the problem is but we somehow seem afraid to smash the ball into the back of the net. The 3rd XI continued their winning run with a very competent performance. Nigel Barker tells me the side is now all playing well.

BULLETIN

You may wonder how this masterpiece is brought to you. I will briefly describe the steps so you can appreciate what a team effort it is:

1. Sunday evening/Monday morning B.B.O. drafts front page.
2. Monday afternoon Doris types master.
3. Monday evening Selection Committee picks teams.
4. Draft run to Robin Chapman who types master.
5. Master picked up after training and run back to clubhouse.
6. Duplicator produces final copies which are stuffed into envelopes.
7. Stamps bought by one of the captains are stuck on envelopes.
8. This is the slow bit, GPO take + 48 hours to deliver it to you.

Two people we must thank specifically are our two typists - Doris and Robin. Perhaps particularly Robin who has to fit the task in between feeding the baby and warming Richard's slippers for when he returns from training.

TEAM SECRETARY

Ian Carless has generously offered to assist Nick with his duties as Team Secretary.

SOCIAL

We were narrowly beaten in the Quiz Cricket last Friday - our last 3 Batsmen being literally stumped while close to victory.
