REPORTS

The 1stX1 gave a most disappointing performance showing a basic lack of control. Steve Pennington did some excellent clearances (one of which would have graced Cardiff Arms Park) and I'm told that Stewart Waugh gave a dobbin-like performance.

The 2ndX1 (Tony Fawley 1) gained their first league win. Our goal, which came in the first five minutes, was the result of some excellent work between Dorian Khoo and Tony. Our hero was 'Travolta' Soares who made numerous outstanding saves, especially in the second half, when the team's performance deteriorated rather badly. Our right winger, who exercised his vocal chords more than any other part of his anatomy, apologises to all.

The 3rdX1 (Dave Wickert 1, Kirit Patel 1) match was highly competitive played at a fast pace. Dave's goal was a superb individual effort from the halfway line, and Geoff Wilmott made a vital one-handed save in the closing minutes. A good team performance with Paul Masterton (at centre half) and Doug Nicholson outstanding.

Both the 4thX1 and the 5thX1 played well below their usual form and had no complaints at the two scorelines.

It seemed to me that the 6thX1 (John Butcher 2, Martin Garrett 1, Andy Galloway 1, Dave Walker 1) and the Vets were playing the wrong opposition. The 6thX1 disposed of an 'aged' team with a kicking back most comfortably, whilst the Vets found their opponents too young and quick for them. (Best of luck at St Caths next week, I know you will enjoy yourselves and do the club proud).

Despite missing two flicks the Spaniards won through goals by Viji and Kirit Patel, whilst Dave Dixon gave a masterful display at full back, right wing, sweeper, centre half, left wing, the midfield and substitute.

HOCKEY/CLUB DISCO

This will take place on Saturday 25th November. We need volunteers to make quiches for the evening. Please contact Brian Owles if you can help.

VOLUNTEERS URGENT

THIS COMING SATURDAY AT 10.00a.m. We are having some already made concrete delivered, and volunteers are needed (with shovels) if possible to help lay it on the pathway. If we have too few volunteers it will mean the concrete will dry in the car park and become useless, which will mean wasted money, and much higher match fees and subscriptions. RAJ TOOR, DORIAN KHOO, ARHUR SOARES JOHN MILLER have stated they will be there. They are all from the 2ndX1. How about the other teams? especially the 3rdX1 and 5thX1 who are at home that day.

THIS COMING SUNDAY

I hope to see many of you supporting the 1stX1 at home this Sunday (Bully off 2,15), in their league match against Hounslow.

The best Secretary any club could ever wish to have... still umpires many of the Vets games.).... J.W.S. Hardie (played pre-war.. 25 caps for Wales 1932-9)
