Well done the Vets in clinching the Barnard Cup. Led by Mike Sadler-Forster with four goals the team finally overcame the depleted but spirited Mid Surrey side. Stuart Brown and Guy Mayers slotted in the other goals. John Marshall received from the team the player of the season tankard. This was well-deserved not only for his superb displays but also for being one of the most reliable members of the club.

The 2ndX1 finished their league programme with a convincing win, the goals coming from Tony Fawley(2), Johnny Miller, John McDougall and Steve Griffiths. It was a pleasant touch to give the opposition only their second league goal.

The 4thX1 scored three times in each half and dominated the match. John Butcher's superb display was rewarded with a goal. Other scorers were Robin Francis(2), Dave Adelston, John Tipping and Cay Schroeder.

Thanks to Robin Henderson the 5thX1 managed to get a fixture after Mid Surrey had cancelled earlier in the week. The side celebrated with a dazzling first half when all the goals were scored. These came from Andy Gregory, Roger Rookes, Brian Graham, Tim Cross and tony Elliott. Colin Greenhalgh umpired in his own excellent way.

The 6thX1 match was transferred to Highgate Wood when the Farnham pitches were declared unfit. The game was competitive with some excellent hockey but somewhat marred by a couple of unnecessary incidents. Goals came from Mike Earp(2), Martin Garrett and Andy Galloway.

Quote of the week came from a Mid Surrey 2ndX1 player... 'Your right back is too good for 2nd team hockey, he should be in your 1stX1'... player in question Dave Dixon.

Congratulations to Colin Davey on his wedding on Saturday. I will not print what was said by the 5thX1 after their game but it had something to do with the side's scoring five goals.

Bad news I'm afraid.... Don Nute was admitted to Whittington Hospital on Saturday evening. He's undergoing tests at the moment and we sincerely hope he will be well soon.

I tried my hardest to persuade Mid Surrey 1stX1 to play at Corams but had no luck. It was especially disappointing because if the match had been played we would have completed all twenty-five League matches, a feat that was mentioned in the Daily Telegraph.

AGM

Enclosed with your bulletin you will find all the details regarding the AGM on Wednesday 16th April. I do urge all members to ATTEND. Hopefully a decision will at last be reached (and carried out) regarding drainage.

FESTIVALS

Please note the team going to Cardiff (24th-26th May) will now be organised by Viji. The Newport Festival team (1stX1 pre-season practice matches) (12th-14th September) will be organised by Dave Dixon.

Hope to see many members at the 1stX1 match v Finland X1 at Corams Fields (5.30) on Wednesday 9th April.

All those going to festivals with the club have a really enjoyable time including Ron Hart's band of warriors at Thanet, and Mike Earp's invaders in Belgium.

Well the last bulletin, I cannot really disguise my relief that it has finally come to an end. It's been a very long season with no break. If you want to contact me in the next few months try all the North London Golf Courses.

Andy Hughes is looking for furniture, fridge tec... please contact Andy if you can help in any way ..348 4493
