

HAMPSTEAD HOCKEY CLUB

Bulletin for week ending 29th September, 1963

I am enclosing a fixture card for the new season for members who have said they are (re-) joining and a second availability card for others. In due course I'll circulate the complete list of members' addresses and 'phone numbers: in the meantime if you want to contact anybody who isn't in the fixture card and you find last year's list is out-of-date, give me a ring and I'll give you the latest I have.

Subscriptions are due on 1st October and, with heavy commitments at the start of the season, the Treasurer would be pleased to receive existing members' subs. as soon as possible, please.

You may like to know that Jim Deegan has had a 12-month extension to his R.A.F. service. This is unfortunate for us, that Jim will not be available as often as we had hoped, but has the consolation that his chances of going to next year's Olympics are enhanced.

A reminder that the Answerings service is available for Sundays as well as Saturdays, so don't hesitate to use it for Spaniards matches. (Michael Wright to note and arrange to have Answerings informed by 11.30.a.m. on Sundays, please).

Would 1st XI and prospective 1st XI players who wish to be considered for the Spaniards side at the Epsom 6-a-sides on Sunday, 6th October, please advise Michael Wright of their availability by next week-end, either at Hendon or by 'phone or letter?

THIS WEEK'S TEAMS

plan is for three practice matches against Hendon. But everybody who wants to play will be accomodated by changing teams and positions around every ¼ hr. -or-so. If more people advise availability during the week it may be possible to make up four XI's instead. Would Team Captains note that Hendon should be offered payment for tea since all games are at their ground?.
