MENS 2nd XI v RICHMOND

lost 3-0

Still no goals! Worst yet! Even skipper S-H could take no more and departed to hospital to have his head sewn back together!

MENS 3rd XI v DULWICH

drew 1-1

Despite florid denials that he would not be entertaining from the back of his Range Rover in a car park near Twickenham, Mark Disney failed to show- again!... He hasn't played since November 7th, last year! So if they will have him he is now available as reserve goalkeeper for the Vets 2nd XI. MAP (Most Absent Player) Mark Disney. Goalscorer: Ashley Micklewright.

MENS 4th XI v DULWICH

won 4-0

Goals from Captain Kohn and a hat-trick from Rhys-Davies secured a brilliant victory at Paddington on Saturday. Harry Watson was sensational and one wonders why he is playing at this level. His vision and his distribution were superb and should any youngster want to know how the game should be played Harry Watson is the player to watch (The editor would like to thank Harry for this week's match report!)

MENS 5th XI v DULWICH

won 3-1

The fifth team continued their winning ways... Sean Vahey broke the deadlock and brought Hampstead to life. Another goal for Sean Vahey and the weekly goal from Andy Latter settled the issue. MVP Sean Vahey.

MENS 6th XI v DULWICH

won 2-1

An understrength team took the field on Saturday and although they did not perform well in the first half, they led, through a Colin Tenner goal. A much improved defensive display in the second half saw Simon Barclay increase Hampstead's lead. There was a late consolation goal for Dulwich but Hampstead held on for victory. Andy Searle was voted man of the match.

MENS 7th XI v STAINES

Match cancelled.

MENS VETERANS v DULWICH VAGRANTS

lost 3-0

Two brilliantly taken goals in the first two minutes effectively decided this match, the third was not added until the closing minutes but in between Hampstead had much of the play without looking particularly dangerous in front of goal. MVP Richard Sykes.

LADIES 1st XI v SUNBURY

won 2-0

The first league fixture of 1993 gave us the opportunity to play Sunbury on astro instead of the 'bibby bubbly' stuff for a change. Two cracking goals in the first half from Sandy and Liz came after good work from the right side of attack. Both

goals made that unusual sound of ball on backboard. A good all round team performance. The result puts Hampstead in second place in the league, a point behind Southgate Ladybirds who are our next opponents. Watch this space! The trend in the team is to return from various continents, sporting a deep suntan. The pressure is on, Stubbsy! MVP Liz Steele.

LADIES 2nd XI v HENDON

lost 1-0

We played an excellent first half. However, we conceded a goal 10 minutes after the break and never recovered. Liz Parker played well in goal and was probably MVP. Full marks to Hendon for decking Bins and Stig, the second team titans! Maxi's bruises are awesome too!

LADIES 3rd XI v HENDON

won 1-0

The strapping lassies of Hendon could not contain us. We were class, they were not! Superb cross from Melinda led to a cracking goal from Bronwyn Harris.
