N. Stevens, D. Blakemore, J. Grierson, C. Elliott, M. Bennett,
R. Havers, H. Moriarty, D. Rookes, M. Miley.

1. Minutes of the previous meeting were accepted.
2. Matters Arising:
 - a) Kit - new shirts are expected but overdue. S. Purnell will chase.
 - sample tracksuit is now available.
 - Ladies' 3rd XI will use one subscription to buy pads.
 - b) Sponsorship - R. Chapman circulated guidelines for consideration.
 - T. Cartmell will advise if any cash received.
 - M. Bennett will ask Morrants if they wish to advertise in The Bobbler.
 - We will discuss with Westminster Council to see if we could erect advertising boards around the pitch.
 - c) Publicity Officer - do we need one?
3. Paddington Sports Club
 - Teas. R. Rookes will discuss alternative menus with the caterer to reduce the cost from £2.00 each.
 - Bar. We needed more jugs. Some members had offered to contribute jugs and M. Miley is investigating possible jugs from the Peroni South League.

4. Social Events

- N. Stevens is planning a Christmas Party for 10 December.
- J. Edgworth and A. Dunford have volunteered to organise the Dinner Dance and N. Stevens will discuss with them.

5. Membership

With increased interest in hockey we should consider running more teams next year -- not necessarily for Saturdays. All sections will consider whether or not it would be desirable and feasible in terms of fixtures.

6. Colts

N. Coleman has asked that three colts be picked regularly - one has already played for the 5ths.

Camden Council had written asking about coaching facilities: there is a possibility that we would do so if we could use Corams for training: discussions continue.

7. Westminster Council

- Pitches. The second artificial turf pitch becomes available on 22 October. It must be stressed to captains that they start on time: there is NO run-over time. The times are:

11.30 - 13.00
13.00 - 14.30
14.30 - 16.00

- Changing rooms. Will be ready on 20 October.
- Invoicing. S. Taylor will ask them to invoice monthly.
- S. Taylor has calculated pitch allocations for much of the season and will circulate them to captains.

8. Budget

Now that we are financially responsible we need to develop a budget. C. Meller will prepare one for R. Chapman/R. Rookes. Captains should settle accounts on selection evenings.

9. Any Other Business

- a) The Bobbler. The first edition was well received. The next edition is due by the next selection meeting.
- b) A veteran's team had refused to pay the full match fee recently when asked to play on the admittedly poor grass pitch at Paddington. Whilst deploring the action, the Committee decided not to make an issue of it.
- c) Mixed Hockey. The Hornsey Club asked if we intended to play the home Sunday mixed games at Hornsey rather than Paddington. R. Rookes will ask H. Thomas to decide and advise Hornsey and S. Taylor.
- d) Nets at Paddington needed repair. S. Taylor will tell them.
- e) Raffle. Should be held weekly at the Club. The Committee will initiate provided Paddington SC do not object.
- f) Committee Size. It was felt that the Committee was too big. It was agreed that the Committee would consist of President/Captain/Secretary/Fixture Secretary/Treasurer/Match Secretary. The captains and other officers will continue to receive Minutes and Agenda but would not be expected to attend meetings.

Date of Next Meeting to be advised.

Sponsorship Guidelines 1988/9

A. Promotional Outlets

1. Main Sponsors - Peroni Beers

Press publicity

2. Supplementary sponsors

Bobbler space

- Questions (i) Limit to number of main/supplementary sponsors?
(ii) Any other outlets?

B. Objectives of Sponsorship

1. To offer commercial organisations a promotional return on sponsorship money
2. Sponsorship money to be used for specifics rather than to reduce the cost of hockey for members
3. Sponsorship efforts of individual club members very much welcomed but any written statement to a sponsor should be cleared by the Secretary.
4. Any sponsorship money raised by individuals from supplementary sponsors becomes Club funds but the Committee will look favourably on requests by the individual concerned as to the specific use of the money.

C. Uses of Sponsorship Money 1988/9

1. Kit - 1st XIs and others
2. Coaching and coaches
3. Subsidising move to Paddington
