

HAMPSTEAD HOCKEY CLUB

BULLETIN 4

MONDAY 6TH OCTOBER 1980

<u>RESULTS</u>	<u>1stX1</u>	<u>2ndX1</u>	<u>3rdX1</u>	<u>4thX1</u>	<u>5thX1</u>	<u>6thX1</u>	<u>Vets</u>
OLD KINGSTONIANS	2-2	1-1	2-2	2-2			
BISHOPS STORTFORD					6-3	9-1	2-1
Indoor Results....Hawks 2-6 Bromley 4-10 Kodak 2-1 Amersham 0-3							

Pride of place must go to the 6thX1 (Tim Kingham 7, Alan Delaney 2) with the new members excelling. The 1stX1 (Richard Chapman, Tim Dixon) paid for conceding short corners, and the 2ndX1 (Brian Guest) went down heavily. A hotly disputed O.K's goal could not disguise the fact that the 3rdX1 (Abe Hillel, Dave Mason) performance was sub standard, especially the passing. The 4thX1 (Graham Smith 2) continue to fail to convert their superiority into goals, especially at set pieces. The 5thX1's (Rod Tippen 2, Bob Hale 2, John Tarkanyi, Andy Gregory) forward line were in entertaining form being too strong for the opposition. A cool display from John Haynes enabled the Vets (James Barnes, Peter Boizot) to overcome a difficult start to set up victory in an excellent and competitive game. (Sorry brief reports...millions of other items)

SELECTION.....The captains have an almost impossible job at the moment with so many players seemingly pushing to go into higher teams. This is healthy for the club but can be frustrating for players. Be patient, continue to give fine performances and your claims might very well be met at some time.

DISCIPLINE.....Our overall attitude and record improved greatly last season, and many umpires I have spoken to have confirmed this. Please make sure it continues. The club rule over sending offs remains as last season (red card...automatic one match ban and a review by the Disciplinary Committee over any further action).
