OTHER NEWS

Would those members to whom it had been mentioned, note that this Sunday's Spaniards game against Old Decanians will NOT now take place.

This Saturday is the date which your General Committee has set aside for the H.A.'s Olympic collection (the original date of 16 February being a wash-out, of course). The idea, for those of you who are new, is that members of clubs contribute 2/- per head per season towards the very considerable cost of adequately preparing and training the British entry for the 1964 Olympic Games at Tokyo. Team Captains will be collecting this 2/- this week, and since we have a couple of very strong candidates for the team amongst our members. (Deogan and Livingstone - perhaps others!) I hope there will be a 100% response. Would Team Captains please keep a note of contributors: and note that gentlemen indicated with a (Pd.) in the Team lists below have already contributed their 2/- with their subs.

Two brief notes of future dates. The A.C.M. will be held on Friday, 5th April at the Opera Tavern, near Aldwych (full notice to follow). And an additional game has been arranged for a team of lower XI standard for 20th April against Unilever Away - at Eltham.
