At last a team shares the limelight with the 5th and 6thX1 teams. The 1st X1 gave a fine attacking performance with the goals coming from Dave Dixon, Stewart Waugh, Richard Chapman and Christian Kalischer. The 5thX1 (Richard Ball, Andy Gregory, Tim Cross, Tony Goodwin) found the Coram's floodlights no hindrance to their march to victory. James Barnes(2) and Tim Kingham scored in the 6thX1's exciting win. Cay Schroeder scored twice for the Vets who seemed to lose a little heart when a dubious goal was awarded with the score 2-2.

The addressograph has broken and we cannot afford the repairs. Please make sure you have full availability for 10th and 17th.

BULLETINS After Christmas, bulletins will be sent every fortnight with teams for the two weekends. This is a vital economy as the club is at present in grave financial difficulties. Our expenses this year have been incredible, our subs not clearing these at all. Added to the poor bar takings (for reasons already mentioned..fewer people on Saturday evenings we really are going to have to tighten our belts. (p.s. numerous match fees are still owed).
