

HAMPSTEAD HOCKEY CLUB      BULLETIN 3      MONDAY 29TH SEPTEMBER 1980

<u>RESULTS</u>	<u>1stX1</u>	<u>2ndX1</u>	<u>3rdX1</u>	<u>4thX1</u>	<u>5thX1</u>
WELWYN GARDEN CITY	7-1	4-1	5-1	2-0	3-2

The 1stX1 (Dave Dixon 3, Richard Chapman 2, Tim Dixon, Cyril Flajsner) destroyed the opposition in the first half with every attack seemingly resulting in a goal. The side ran out of steam and ideas in the second.

But for inspired goalkeeping the 2ndX1 (Alan Kenyon 2, Dave Mason, Benwara) would have beaten the first team score. I have notified the Ministry of Defence that the abnormal seismograph readings at 2.55 were not caused by an atomic explosion but by Alan Kenyon crashing to the ground.

The 3rdX1 (Abe Hillel 2, Geoff Hunt, Philip Houben, John McCabe) gave a competent performance with Philip outstanding. Abe arrived just in time to score the last two goals.

Lack of finishing was the main problem with the 4thX1 (Guy Stobart 2) display. Mike Earp and Andy Benson gave fine performances.

Unfortunately the 5thX1 (John Tarkangi, Ronnie Kingwill, Tim Cross) match seems to have been ill-tempered with arguing with umpires from both teams. The highlight came with the score 2-2 and Tony Elliott producing an amazing stick save.

CLUB SHIRTS      Sportcenta (see fixture card for details) have a supply of shirts in. Any problems contact Guy Stobart. Dave Dixon desperately needs a wife, after his last washing expedition he finished up with a red shirt, red socks, red everything. We have no intention of changing the club colours.

CHANGING FACILITIES      Only three showers working, the plumbers are waiting for spare parts from the manufacturers before they can get the other four in working order. If you are playing at Corams you should change there. Those at Creighton should also change there except for the captain (or someone delegated) who must meet the opposition at the clubhouse and escort them to Creighton North.

MIDDLESEX CUP MATCH ROUND ONE  
Hampstead v Hayes.....HOME.....Sunday 19th October.....2.30 start

CONGRATULATIONS      To Tim Ware on his wedding on Saturday to Jane (or Janet, or Janice, or Jennifer, or Jackie, or Julie) Terrible with names...anyway well done. (p.s. one bulletin that will not be shown to the wife),

To Norman Borrett on finally training his dog. There is no foundation in the rumour that he is now going to put his managerial attentions in trying to train the first team skipper.

SPANIARDS      For new members this is the name for the Sunday team. These are social and most enjoyable matches, especially in observing the competitive spirit of the manager. Please contact Mike Earp if you want to play. (see fixture card)

THANKS      To ex-Secretary Brian Owles for all the umpiring in the past few weeks. You are still welcome at the club, but we will have to lock up the dog first. As new members will observe, you don't fully become a member until you have been grossly insulted in the bulletin. (breaks the monotony.)
