The 1st XI chose the best place to have their most prolific goalscoring game for several years. The facilities at the Bank of England are very conducive to a pleasant evening. The beer was Youngs or Brakespeares and the price was 20p per pint. Unfortunately I had to leave just as I was getting the flavour but several looked as though they were there for the night. Colin Tweedie showed that he obviously learnt his hockey skills on the frozen surfaces of the Scottish Highlands and scored 2 well taken goals. The whole side played exactly the right game for the conditions and a lot of scoring opportunities were made; some were seized eagerly, others not so eagerly. Ian Carless showed economy of effort by squeezing the ball 2 inches over the line. Yours Truly scored his first goal for the 1st XI for about about 3 years and Dave Dixon hit the crossbar and then realised it was easier to score through the goalkeeper's legs.

David Teale gave a fair impersonation of Humpty Dumpty on Ice but kept a virgin goal yet again.

Details of other games have been hard to obtain but it appears that the 3rd XI have unfortunately lost their winning ways for the time being, but not for long we hope.

Leading Goalscorers to date - Hillel 7; Weatherby 6; Dixon 5; McCart, Tweedie, Brown 4; EBC 1. Total For 85 Against 86.

NEW YEAR'S EVE

Dave Wickert and Steve Thomas are making preparations for what promises to be a great evening.

Tickets are £1.20 and will be on sale this Saturday. Although tickets will be available on the night purchase in advance to avoid disappointment.

The organisers have to lay out a considerable amount of cash in advance so if you buy now it is better for all parties.

For your £1.20 you will get food and Disco and Mystery entertainment. It must be excellent value.

SUPERSTARS AT HORNSEY

The Dynamic Duo - Wickert & Thomas are also engaged in setting up a Superstar Contest next year. Provisional date is 19 April 1977. There will be teams of 8 from each section with individual prizes and team prizes.

This will involve a considerable amount of organisation, time and effort so we shall be looking for volunteers. If you would like to assist please speak to either Steve or Dave.
