	<u>3rdX1</u>		<u>Spaniards</u>
Hounslow	0-0	Chelmsford	2-4

The 1stX1 had a touch of luck in this game, which waen't a very inspiring match. The University players thought play had been stopped and their defence "froze" to let Guesty in for another vital goal.

The 2ndX1 only started with 10 men and a few of these were out of touch to start with. During this period they went 2-0 down, but fought back to 2-1 with a Barrett penalty-flick. In pressing for the equaliser gaps were left in defence and the University scored their third goal one minute from time.

The 3rdX1's confidence was restored with their win, goals coming from Hillel, Packet and Fawley. This return to form obviously helped because against Hounslow they should have won by several goals, having 70% of the game. Tony Fawley also missed a penalty-flick.

The 4thX1 also returned to winning ways with goals from Chris Mould (2) and Andy Boorman. All three goals were scored in the first half and the opposition tried very hard to get back into the game in the second half. Some sound goalkeeping by Dave Teale helped keep them out.

The 5thX1 dominated their game with goals coming from Gregary (2) Dawson (1) and an own goal.

The 6thX1 had trouble settling down on a very bumpy pitch and the opposition were just a bit too strong. Dick Cresswell scored from a short-corner.

The Vets gave a sound team performance with Schroeder scoring the goal. He did miss a penalty-flick though.

The Spaniards lost to a strong Chelmsford side with Stuart Waugh scoring both goals from short-corners. Mathias and Dawson played well. Plea from Tony Goodwin "The Spaniards need a goalkeeper; any volunteers". He needs players also, so give him a ring.

Sunday - 23rd November

Hounslow	1-1	0-1
----------	-----	-----

Saturdays results were excellent, with a complete whitewash of Spencer. Particularly pleasing was the 1stX1's win. Wilmot kept us in the game for the first few minutes and then Hampstead gradually took control. Benwara and Rawal played well. Guesty scored several minutes before time. With the press at the match Guesty was late back to the showers because of autograph signing.

The 1stX1 continued their fine run on Sunday with another Guest goal; following up a short-corner this time. Hampstead were the better side but couldn't convert any more chances. Hounslow equalised with a penalty-flick in the second half. The 1stX1 are at present in the top 5 of the league, the best position for several years.

The 2ndX1 gave a hard working performance against Spencer and kept a more skillful side out. Delaney, Catley and Edyvean played well. The goal, which came in the first half, was claimed by Jerry Stanyard; although the others seemed to feel that it was an own goal.

The 3rdX1 gave a good team performance with Dave Taverner and Nick Coleman playing well. Hillel (2) and Tipping (1) provided the goals.

The 4thX1 started with 9 men and were unjustly one down when the rest of the team arrived. In the second half the forward line really "clicked" and Burton(3), Barnes(1), Boorman(1) put the game into a truer perspective. Rod Tippen played well at full-back.

The 5thX1 played extremely well and with total commitment. Goals came from Gregory(2), Dawson(1) and Galloway(1).

The 6thX1 should have won this game and in fact scored both goals because Colin Davey played and scored for the opposition. Steven Comfort had a good game and put Hampstead in front.

The Vets, with Mike Peddar controlling midfield scored another mass of goals. Schroeder struggled past the psychological 20 goal barrier with 4 goals, Richard Shaw and a guest player scoring the others.
