HAMPSTEAD'S FINE WIN

By OUR SPECIAL CORRESPONDENT.

The most interesting game of Saturday was undoubtedly that between the Light Blues and Hampstead, on the latter's ground at Richmond, and the North London club are to be congratulated on their fine performance in winning by 3 goals to 2, especially as they played practically throughout with ten men. F. W. Orr, at half-back, retired after five minutes' play, having apparently strained a muscle of his back when turning suddenly. This led to a rearrangement of the team, H. L. Shoveller being taken out of the forward line and transferred to left half.
