

RESULTS	Newport Festival Final		1stX1	2ndX1
	Hampstead 1 Berkshire Boars 0	Broxbourne	0-3	2-0

Over fifty players 'performed' on Saturday, an excellent start considering the season doesn't officially start until October. The members at the 'Trial' at Creighton felt the exercise beneficial, though judging by the way many returned to the club they have had an inactive summer. Stewart Waugh (short) and Geoff Smith (p-flick) scored the goals in the 2ndX1's win.

THE NEWPORT FESTIVAL or THE NORMAN CONQUEST

Hampstead won the Festival in fine attacking style defeating Newport, Comets, Mybb, Vandals and Geriatrics in our group then the Boars in the final. Dave Dixon, who incidentally celebrated his birthday on tour, was easily the top scorer was for the first time left speechless by the 13 candles on his birthday cake. Our performances were highlighted by Brian BOF 'Hamstring' Guest playing a unique role on the left wing and Geoff 'Sniffer' Wilmot scoring a fine goal. John McDougall was presented with a torch for his fine (nocturnal) performances, but the star of the festival was without doubt Norman Borrett. He has added new vistas to the English language and cuisine. Finally, our thanks to Wendy and Viji at the Lodge for their splendid hospitality for which Brian and Norman are especially grateful. (My Welsh Correspondent)
Team... Norman Pennington, Norman Jones, Norman Viji, Norman and Norman Dixon, Norman Guest, Norma Flajsner, Norman McCabe, Norman McDougall, Norman Borrett, Norman Wilmot.

P.S. Has anyone seen Rod Jones?
