REPORTS and INSULTS

Tony Elliott wishes it be known that he scored against the ladies last Sunday and again on Saturday. He obviously outskirted the defence. He won the award for the best dressed player with his blue and white lace underwear.

Bulletin 13..Quote 'May the luck of Teale be with the 1stX1' Thanks to the players for giving me an inferiority complex...I'll wish the opposition it next year. It all went wrong for the 1stX1 and the manner of the defeats leaves something to be desired...Lessons for Next Year??????

'I think the 2ndX1's are two up' says Young Robin Henderson to me....'No, they are five up...I've heard five screams of delight from Robbie, and Mark is still on the field' says I. Debbie, it's been a pleasure to see you around the club...a ray of sunshine in a depressing winter.

Tony scored twice and great goals from Dave M and Andy Martin (sorry old stale joke)man. Tony Elliott feels his goal on Sunday was much better having an aesthetic quality (crowd threw flowers on the pitch).

The 2ndX1's scored four in five minutes...at that rate you should win 56-0..now that would have Cay Schreder worried (purpose spelling mistake, he does not like ducks).

'Hello, is that the sec of Birbeck College..I believe . . you want a fixture for your 1stX1. Our 3rdX1 are looking for a game'

'A 3rd team, you must be joking..we are a 1stX1...pause...It is late and we will not get another fixture..O.K. we will play you this time but normally I wouldn't' WE STUFFED THEM..best laugh I've had in a long time...Well done Nick's lads, even if you did have the 'Mole' playing for you. He has surfaced in four different teams in the past few weeks, scoring each time (Ha, Le Belle anag.).

Barnes Secretary.. 'Your 4thX1 must start at 2.15'...2.15 arrives eleven Hampstead players, four Barnes players....remainder arrive at 3.10. Now that's organisation. The 4thX1 were unlucky against Richmond being down to nine men...Bruce Collins was involved in a bad crash, I am happy to report he is recovering well. I'm sure John McCabe was able to eat your teashrinking lad is our John.

The Tony Elliott Mutual ADMIRATION X1 had an easy win at Corams with the defence in superb gossiping form.

Be Warned...with the holidays coming up Norman Borrett is in a silly games mood...latest craze ..impersonations on the phone...they're terrible except for his high-pitched Aimi MacDonald (I must ask Marge how he is able to do it). Perhaps he also wears lace underwear.

If Robin Francis's compass wasn't faulty (pointing NE instead of N) or the goalposts had been moved a few yards east, then Dick's Nice Guys would have beaten Richmond. Smashing team are our 6thX1, I always enjoy being your umpire. Hope your do is successful, thanks for the invitation sorry I cannot make it.

Ans so to the Honourable Gents...I certainly would not insult you degenerate lot who prevent other sides from having the satisfaction of gaining a clean sweep. You have a goalie who has never saved a P-Flick, Twinkletoes in midfield, an Air Bombadier at centre-forward, a Kamikasi Guy, and so on. By the way Mr Butcher..the club is going to install starting stalls at short corners.

End of Insults....To think I was Secretary of this bunch of characters....I suppose that's what made it worthwhile.

DON'T FORGET THE AGM ON THE 7TH APRIL....MUST HAVE EVERYONE THERE
