C. Greenhalgh, Esq.,
The Little Cottage,
Church Street,
HAMPTON-ON-THAMES,
Middlesex.

Dear Mr. Greenhalgh,

I am so astonished that you should invite me to be your guest after my criticisms of British hockey that I have decided to accept. Therefore, may I thank you for your welcome, although I suspect a plot!

I should be happy to propose a toast if asked to do so.

Yours sincerely,

J.L. MANNING.
