Hampstead and Westminster

Vs

Cannock

Sunday 29th February 2004

Every Olympic year somebody slots in an extra day and today is it. We are delighted to welcome Cannock to Paddington Rec on such an auspicious occasion. Cannock were loyal supporters of the pre-season Hampstead & Westminster Challenge and we appreciate their visits.

Hampstead still hold fourth spot in the Premier Division of the EHL but Cannock have been edged out of top spot on goal difference by Reading who have now played a game more.

Cannock's game against Loughborough Students was postponed last weekend as Loughborough flew the flag in the B division of the European Indoor championships. Hampstead played indoor hockey at the highest level in the Crystal Palace evening league during the 1970s and 1980s but, like a lot of top English clubs, have since that time never embraced the indoor game. All credit though to the Students for putting the effort into organising the European tournament on home soil and winning the competition.

Hampstead should be at full strength for today's game and look forward to reversing the 5-2 defeat at Cannock in the first half of the season. To do so Hampstead will have to be at the top of their game and to make sure they restrict the quick-breaking Cannock forwards. At the other end Hampstead will aim to work the ball into the Cannock circle and to convert chances and gain short corners. Let's see how the game unfolds.

As umpires today we welcome Alan Jackson and James Pilgrim and we welcome also the technical delegate Ian Marsh.
