

A Powerful List

It is expected that R. L. Milsted, the South half-back, will continue the captaincy of Hampstead, and other old members who will be available are I. Milsted, Owen G. Jones (the Welsh international) P. Hazell, A. G. Hardie (who has recently been ordained), H. Hinds Howell, and others. Hampstead would like to have a goalkeeper for the second eleven and another first-class forward. There are several vacancies for the four teams. The lease of the Richmond Athletic pitch has been renewed for another five years and an additional pitch has been obtained in the Old Deer Park, Richmond, close to the Athletic ground, on alternative Saturdays. The fixture list is the usual powerful one, with both Oxford and Cambridge Universities included. M. Montague Wyatt has retired from the secretarial post and Kenneth Ingledeew has been elected his successor.
