OTHER ITEMS

Positively the last few days to qualify for the £1. discount on Subs - to Guy Mayers or Ian Tomisson please.

Mike Chapman has been nominated as Vice-Captain of the Vth XI.

Make a note of 28th November in your diary. This is the first year we are trying a Club Supper at Hornsey (after the 1st XI game against Oxford University) instead of the more usual Dinner in the West End. The 2nd XI are undertaking the arrangements as their Social function. It is anticipated that tickets will only be 15/- a head - for members and their private guests - and the wines should be a lot cheaper than in the West End. The away games are quite near to Hornsey (at Hendon) so it would be nice if all our members - home and away - turned up.

Could I take this opportunity to mention three more reminders ?

(1) Would Team Captains please remember to look after the balls - if necessary delegate somebody else (the goalkeeper ?) to take them out and return them. We always lose too many and they cost a lot.

(2) Please all remember to entertain the opponents after games - at tea and in the bar. It is our duty to make sure they have a pleasant evening - new members may not realise there is a snooker table upstairs at Hornsey and darts is a good excuse for fraternising.

(3) PLEASE TRY TO BE PUNCTUAL FOR GAMES. I realise accidents happen from time to time but why not promise yourself you will leave $\frac{1}{2}$ hour before you think you really need to? Not only is it annoying for opponents to have to hang about but it is VERY EMBARRASSING for me and other officials to be constantly apologising for late arrivals and, worst of all, it is VERY UNSETTLING for Team Captains who don't know whether to start short, borrow a player or what.
