

HAMPSTEAD HOCKEY CLUB BULLETIN 24.1.77

Results	<u>1st XI</u>	<u>2nd XI</u>	<u>3rd XI</u>	<u>4th XI</u>	<u>5th XI</u>
v. Hendon	0-0	3-0	5-1		0-1
Ostlers v. Highwaymen		2-2			
Spaniards 5		Hairy Goats 0			

A very satisfying set of results for the club as a whole, especially the 2nd XI who have at last got over their goal drought. So lets hope that the forwards have learnt that the little white ball goes between the big white posts and not onto, above or beside them.

The 1st XI game was only memorable for its mediocrity. A hat trick was scored by one of the forwards in the 3rd XI but he is so modest that he asked not to be mentioned in the bulletin.

The 5th XI apparently did not live up to their reputation and failed to achieve the team work of past weeks. This might have been due to the fact that they all played in different coloured shirts. I must admit they were rather a motley crew. I would be grateful if a member has not been able to get a club shirt from the "Sportscenta" in Crouch End, to please bring a white shirt, navy blue or black shorts.

INDOOR HOCKEY

We are progressing forward in the Middx League at Ruislip, we have now played 26, won 4, Draw 1, lost 1.

There is to be an all day tournament at Vale Farm, Farrow on Sunday, 30th January, where we shall be looking for our first major success indoors. Games take place between 2-30 and 10.00 p.m. so if you fancy coming down to watch, please do (there is a bar!!).

We have also entered an end of season tournament organised by the Stanmore League - game to be placed on Tuesdays or Thursdays in February and March at the Indoor Halls in Watford and Bushey. So there is going to be plenty of opportunity to play indoor hockey. If you are interested speak to either:
