OTHER ITEMS

The Council workers' strike now being over, the school pitches are available again so we shall be going back to games as in the fixture card.

I mentioned last week that there would be no formal speeches at the Supper on the 28th, just one light-hearted 'interlude'. I am pleased to tell you that that excellent raconteur Dick Cheston has accepted the 2nd XI's invitation to make a return visit and will, therefore, be entertaining us on that evening. Please make your application for tickets (on the tear-off slip below) to Tarlok Mandair, as soon as possible to help with catering arrangements.

The Middlesex C.H.A. is running a coaching course for club team captains (of all levels), and other players who may be interested - though the intention is that any skills acquired should be passed on to other club members. The first part will consist of an evening session at Ealing College of Technology on Wednesday 3rd December or Thursday 4th December, and the second part will be an open-air session next April. Would anyone interested in attending please let me know, indicating which of the two evenings they would be available for?

Surprisingly enough, we have only just been asked our views on the off-side experiment we tried last Spring - two players nearer the goal instead of three. Anybody any views they would like the Committee to take into account?

C. Greenhalgh.
