Slough....	0-4	0-5	1-1	1-1	Canc	2-2	Canc
Blackheath..	2-1	2-1	Canc	2-0	Canc	Canc	Canc

Both the 1st and 2ndX1's found Slough far too strong but the 3rdX1 (Chitra) played exceptionally well and created enough chances to have won. Both the 4thX1 (Hale) and the 6thX1 (Cresswell, Garrett) gained well-deserved draws, many thanks to Arthur Soares and John Tipping for helping with the latter team.

Against Blackheath (Smith H, Stanyard) the 1stX1 overcame a half-time deficit. With Benwara in fine form, and promising displays from Alan Delaney and George Banting, it was surprising the 2ndX1 (Delaney, Mason) winning margin wasn't greater. Dave Burton and Abe Hillel slotted in two second-half goals for the 4thX1.

RICHMOND THIS SATURDAY Please note all games in the afternoon. Away teams should allow plenty of travelling time as there will be rugby traffic plus diversions because of road subsidence.

The 6thX1 are playing on Richmond's all-weather pitch at Orleans School Richmond Rd, Twickenham. You change at their clubhouse first. I am not sure of the 2ndX1 venue (will not be grams) and there is a possibility that it might be switched to Richmond.

EVERYONE PHONE ANSWERINGS (there are likely to be changes)

CORAMS FIELDS Please note you are not to use the area behind the goal for warming-up or practising. This area is for the local children. Please note no studs to be worn (this includes short plastic ones). Do not leave any valuables in changing-room.

WANTED URGENTLY A hockey representative to stand (not literally) on the Hornsey Club House Committee. We are the only section not to have a representative.
