

The Secretary forwarded the following reply.

Hampstead Hockey Club.

August 28/95

Mr. J. Blich.  
Sir

Considering that we were your last tenants, and also that we gave you to understand at the end of last season that we should take the ground over again - I think it very hard on us that you should have let the ground over our heads - the least you could have done would have been to have given us the first refusal.

The vacant ground you mention I am afraid will not suit Hockey, unless an considerable amount of heavy rolling and lawn mowing work is put upon it at once. However, I will place the matter before my committee for their consideration.

Yours

H. Phelps Esq
