

SPONSORED MARATHON

The fund raising venture has taken a couple of steps forward - there is a committee of three - Adrian Rice and Dave Walker (226 3116) & Brian Owles (994 6629)

We have agreed a few outline plans which we shall be crystalising in the very near future.

DATE : 2nd June 1979
ROUTE : To be decided - probably two circuits of 13 miles.
Start and Finish at Hornsey.

So if you don't think you're up to a whole MARATHON you should be able to make half the distance, i.e. a MARA (Greek for 13 miles)

TARGET : Raise - £1,500.

We shall need :

RUNNERS - say 25 - to obtain personal sponsorship - *per mile*
MARSHALS - to travel the route to aid runners.
First Aid Attendants.
Publicity and hopefully some Commercial Sponsorships.
Catering.

Most of all we need complete support of the whole membership of the Club.

I have not had a deluge of 'phone calls volunteering assistance but the "Committee of Three" will be coming to you individually for you to do your bit. If you telephone me it would save a bit of effort.

In the meantime, any bright ideas will be gratefully received.

B.B. Owles.
2.4.1979.

P.S. I must put down on record my absolute delight at Hampstead winning the London 6's competition which is certainly the major competition of its type in the South of England.

In the last four games I watched, we beat Surbiton, Spencer Trojan and finally Coventry.

Congratulations to Viji, Dave, Tim, Brian, Ade, Geoff, Bill and Richard.

BBO
