Incidentally, the Dutch team from The Hague  
is coming over at Whitsun instead of Easter  
Mike Thomas will have details in due course.  
Thursday, 15th April Hockey Circle - A.G.M. and Brian Johnston on  
the M.C.C. Australian tour.  
Week-end, 24/25th April Thanet Festival. Ron Hart has amicably rounded  
team now - admin. details from him in due  
course.

That's quite a lot to digest. Please make notes in your diary now  
and try to attend as many of these functions as possible - particularly  
the 'Smoker' and A.G.M. - to see the season out on a good note.  
You probably realised, by the way, that the 5th XI function didn't go  
ahead because of the absence of any postal notification.

#### OTHER ITEMS

I didn't get a chance to say 'cheerio' and 'thanks' in the bulletin to  
Peter Stevens and Derek Trotter, both of whom left London recently.

Peter Boizot, our new 'House Member', has arranged that every Tuesday  
evening during the season will be 'Club Night' at Hornsey. A nucleus  
of members turns up in the bar every week, for a few drinks together  
and something to eat. If you are at a loose end or, better still, if  
you can keep Tuesdays free every week (until Easter), then just turn  
up at Hornsey and you can always be sure of meeting other Club members  
there.

Because of the strike I haven't got details of the ticket arrangements  
for the 'Lord's Day' internationals yet. The Committee decided not to  
take a box this year, but I imagine it is still possible to get a  
block of seats in one of the stands so that we can stick together. I  
suggest that anyone who would like tickets lets me know by this week-end  
(I am away from Sunday afternoon until Tuesday evening) - by then I  
shall probably have the full details. I think the best price to opt  
for a 'block' will be 50p. per ticket, but there may be cheaper ones  
available if anybody particularly wants them.

Finally, let me give you as many details as I can about the 'Smoker'  
on the 20th - to go on to after the internationals. It will be held  
at 10 Dean St., Soho (the Pizza Express restaurant), from 8 p.m. to  
midnight or so. The entertainment will be essentially 'gentlemanly'  
so bring along your male friends who would enjoy a good bawdy evening.
