OTHER NOTES

The Annual Dinner is to be held at the Lord's Tavern on Friday, 10th December (not 3rd December as in the fixture card). Tickets are 25/- a head for members and private guests to be obtained by returning the slip below please. I think you will find several of the arrangements at the Tavern (including the menu) are improved this year, under the new management; incidentally, I have arranged for "wines by the glass" and beer at table, for those who don't want to get involved with bottles of wine. And, again, fish will be available for those who particularly want it on a Friday. I hope we shall have a very good turnout - this may be our last Dinner at the old Tavern before it is pulled down - and, please return the slip promptly because exact numbers have to be booked etc.

Would General Committee members make an advance note of this month's meeting on Friday, 26th November. An agenda etc. will follow in due course.

THIS WEEK'S TEAMS

This week availability is very good and several players have moved down a team or two. The Team Captains would like me to say that these members are not "dropped" - it is assumed that they would rather have a game for a lower team than be a reserve higher up.
