REPORTS

The 1stX1 played well on Saturday but failed to get the breaks. On Sunday they found the College side very stubborn opposition and it was a relief to see Brian Guest score two second half goals, the first being a fine move between himself and Adrian Rice.

The 2ndX1 played nearly all the good hockey and especially in the second half attacked continuously. We failed to convert any of our short corners. The opposition's goal was universally agreed to be a 'shot' hit from well outside the circle. (In fact one of the talking points amongst many 1st and 2nd players was the poor performance this weekend of the SCHUA umpires, and having watched the game on Sunday I feel the remarks are justified).

The 3rdX1 match (Steve Griffiths 1) was a physical affair played at a fast pace with plenty of skill. The goal came from some fine work between Steve Nickson and Dave Wickert, with Steve finishing off the move in fine style. We also hit the post late in the

The 4thX1 (Ram Chitra 1) had more of the play but failed to pressurise the opposition in their circle especially in the second half. Spencer seemed to have half of the Dutch nation in their side.

The 5thX1 (Bob Hale 1) dominated the first half but in the end were happy to settle for the draw. Bob's goal came when he followed up a shot from Andy Joss.

The Vets (Rameesh Seedher 1, Chris Waite 1) gave a rather inconsistent performance, playing both excellent hockey and looking ragged in different spells of the game. In the end the side were well worth their win and perhaps should have scored more goals.
