TO: LONDON LEAGUE CLUBS (1st XI umpire contacts)

12 September 1980

I am pleased to enclose the first London League Appointment's list for the new season together with the SCHUA Handbook. If you are no longer the member of your Club dealing with umpires for 1st XI League games please pass this information to the correct person who should then let me know, without delay, his address, telephone numbers etc. likewise if your numbers have changed and you are still i/c please let me know.

Inspite of inflation we are retaining the appointment fee for the season at £10 for all London League 1st games. This is now due and should be forwarded to our Treasurer Ian Marsh.

This year there is only one appointment secretary: namely myself, for all London League games so if you have a query on Sunday or midweek appointments, as well as for Saturday games, all to me please.

Would you please check your fixtures on the attached list, which have been compiled before the full fixture list is available, and let me know immediately if there are any errors.

Finally please let me have a copy of your fixture card.

Wishing you a successful season

Yours sincerely

W J Colwill
