SCORERS 1stX1 (Smith H/Stanyard, Guest, Smith H)..3rdX1 (Kenyon2)..4thX1 (Hillel 3)..5thX1 (Burton2, Cross, Goodwin, Gregory)..6thX1 (McIlwaine2, Davey2, Kingham1, Galloway1, Sherwood/Farmer2, Garrett, Cresswell)..Vets (Schroeder/Schroeder2)

Well done to the 1stX1 on pulling back a three goal deficit against Beckenham. The 3rdX1 can celebrate, they scored their first Saturday goal since October 25th..some 700 minutes hockey. I hope the 2ndX1 are not trying to beat this record, though I might add they gave three gutsy performances. Julian Sherwood playing for the 6thX1 scored the goal of the season (I cannot find in my records when Julian last scored). Finally a mention for three 'senior' members..Hugh Smith on once again scoring goals at the top level..Arthur Soares on his brilliant performances in the past weeks (He will not be retiring.. special order)..and Cay Schroeder who is once more challenging for the Golden Sticks.

6 club members turn up for training on Monday night.They play three-a-side,each
 game being five minutes one way with a two minute break between games.For how long does
 training last if different sides play in each game(So no three players are on the same sid
 more than once)? How long if 10 members turn up and no three players are together more
 than once? (Answers next week when I have worked them both out).

THANET HOCKEY FESTIVAL 25th/26th April 1981

We shall once again be entering this most enjoyable festival. Viji will be
 organising the team this year and will continue Ron Hart's excellenty policy of having
 a team representing the whole club (members from all teams). Please contact Viji if
 wanting to play (staying at same hotel). For the record many,many thanks to Ron Har for
 his excellent work over the years.

DRAINED GRASS PITCH We have had two matches now on the pitch.It is far from being
 perfect(understandable) especially with the sand slits and the far touchline being
 rather soft. However thanks to a lot of hard work from Don teams are able to have a
 reasonable game. With the cost of Corams(already £750+) this season,plus the fact that
 very few away teams have come back to the club,I will now only be doubling-up at Corams
 in an emergency.I shall therefore use the drained pitch for the lower teams for the
 remainder of the season.P.S. Perhaps this will mean that I will not have to do all the
 clearing up and washing in the kitchen as at 8.00 on Saturday.

AVAILABILITY Please give your correct availability to your captain (14 changes last week).
