REPORTS..... The first half of the 1stX1 (Stewart Waugh 2, Geoff Smith 2) match was a ding-dong affair as the scoring suggests... (5mins) 1-0 a Stewart short corner (13mins) 1-1 (15mins) 1-2 (20mins) 2-2 another Stewart short corner. The great advantage of having a manager like Nick Coleman was shown to its fullest at half-time. A substitution and a change of tactics brought a vastly superior second half performance. Geoff Smith and Viji gave outstanding displays and Brian Guest worked tirelessly with great effect for the team. I met an ex-Hounslow 1st team player on Sunday who asked me if our first team were still easy pushovers. You can imagine my delight when I replied ' Well old chap, we happen to be top of the league at the present time! '

The 2ndX1 were playing a very strong Teddington side which included at least five of last year's first team. However our team kept going until the end and were unlucky not to gain at least an equaliser in the last ten minutes.

The 3rdX1 (Abe Hillel 2) completely dominated their match but it was one of those days when the ball didn't seem to want to go into the opposition net. Teddington had two shots at goal and scored on both occasions. The team felt they should have been given at least two penalty flicks.

The 4thX1 match was atrocious in many ways, showing some of the worse aspects of hockey. The less said the better.

The 5thX1 (Tony Elliott 1, Steve Griffith 1, Richard Ball 1) had a most enjoyable game with the match played in the right spirit. Tony DaSilva and Steve Griffith (yet again) were outstanding but it was an excellent team performance.

The 6thX1 (Steve Bloomfield 2, Andy Galloway 1, Hugh Illingworth 1) bandwagon keeps rolling along. Inspired yet again by those intrepid brothers they gave a fine display. A pleasant touch was given by the opposition in thanking Farouqui for his excellent umpiring.

The Vets started off with only nine men and found themselves two down after five minutes against a younger extra 4thX1. With a full team shortly afterwards the team gave a most encouraging and brave performance. It's good to see that fiery Hornsey fast bowler Chris Waite playing with his coach Stuart Brown. (A partnership I feel I will hear more of in the future). John Morgan afterwards proved an expert on real ale, so the team drank bottled Guinness(?????).

The Spaniards had an enjoyable game. After Tim Dixon had given them the lead the side suffered from the tradition of playing with a kicking back.

NORTH CIRCULAR....NEXT WEEK..... Many of the Teddington matches started late, or without full strength teams because of the traffic on the North Circular. The same problem could occur next week against Cheam. Therefore either leave earlier or plan a route that misses the North Circular.
