Indoor team beat Dulwich 5-2 to reach the last 32 of the National Competition  
 Well done the 5thX1 (Andy Gregory three superb goals) and the 6thX1 (Vic Holman, Tim Kingham, John Barnes) on their victories. Also to the 3rdX1 on their fine performance. There were a great number of cry offs which affected some teams badly.

It would take 15 members three hours to dig the required ditch around the new pitch. We completed one fifth of the job on Sunday, my thanks to Richard Chapman and Tony Elliott.

Hope club duplicator will be repaired soon so that you will receive normal bulletin.  
 DON'T FORGET THE HORNSEY CLUB NEW YEAR'S DANCE SOCIAL.

Dave Walker has left for the continent and wish him the best and thank him for his fund-raising efforts. Messrs Banting, Grierson, Gregory and Francis are now running things. A raffle is being held each Saturday to be organised by one of the home teams (The 5thX1 took £14.00 on Saturday). The Disco made a profit of over £100 and was enjoyed by all who attended. Many thanks to the adorable ladies for preparing the food, Assy Barker, Anne Butcher and Issy Coleman (who had a lot to put up with including a husband on crutches). The efforts of all three plus others is much appreciated.

NEXT WEEK'S BULLETIN INCLUDES TEAMS FOR JAN 3rd.. MAKE SURE YOUR AVAILABILITY IS KNOWN..
