RESULTS	2ndX1	6thX1	Vets	National Indoor Middx Rds
London Univ	0-1	Gerrards X 1-0	St Caths 1-3	v Goa 6-3 v O.K's 5-4 vPoly 9-1

Congratulations to the Indoor team on qualifying for the South Finals in December. From all accounts it was a tense and exciting evening with the O.K's match being a real nail-biter. The success seems to be gained by good team discipline plus an excellent corner routine.

I thought the 2ndX1 were slightly unlucky to go down on Saturday needing a little more confidence to push forward and support the front runners (a couple of wins would be the best remedy).

The 6thX1 felt Saturday's match wasn't one of their best performances but I was still mightily impressed with the standard of play. (It was good to see eleven Hampstead shirts plus two Hampstead umpires). Andy Galloway scored the vital goal near the end after Pete Marshall had thwarted some opposition pressure. Having met many of the players afterwards I must add that if character and keenness wins matches we might as well give the Barnard Cup to Dick Cresswell's team now.

The Vets completed another successful mission doing a fine public relations job. They wine and dined the undergraduates plus two Texans and a Swede (international diplomacy?), touring the pubs and having a fine time. I almost forgot, they also played an excellent hockey match against the usual strong college team. Cay Schroeder popped in the goal for our twelve (??).

BULL LANE GROUND (Grass pitch)If playing at Bull Lane you should go direct to Tottenham School, Selby Rd (off White Hart Lane) N17. Park in school and change in the far changing rooms block. A gate is opened in the school which leads to the pitch. When Spurs are at home allow an extra 15 minutes travelling.

HOCKEY COMMITTEE.....Just to remind you that there is an important meeting this Thursday at 7.45. (Agenda enclosed with this bulletin).

CORAMS FIELDSWill all captains please check that players (both sides) including umpires and goalkeepers are not wearing studs of any kind. Great danger of losing the use of the pitch if this rule is broken. Corams will be doing surprise checks. (Sounds very beaucroatic but essential as studs ruin the surface). ***see below teams***

We were all very sorry to hear of the loss to Dave and Tim Dixon of their father. Our commiserations and best wishes go to both of them and their family. Hope you're back soon Dave and Tim, your happy presence is missed greatly.
