OFFICIALS NEXT SEASON

Events and comments on Saturday have finally convinced me to stand down next season. This means that the club is desperately seeking a General Secretary (administration...fixture card,new-members,teas,correspondence)....a Subscription and Finance Secretary.....A Bulletin Secretary.....and a Match Secretary (co-ordinate with opposite numbers and deal with Saturday mornings).

Will all those willing to take up such posts please attend the Committee Meeting(open to all members) on March 18th. (or contact me immediately).

CAPTAINS NEXT SEASON

Will all teams discuss this matter this coming Saturday and give me their nomination before the Committee Meeting.

HORNSEY CLUB AGM
I have always been disappointed with the turnout of hockey members at the Hornsey Club AGM. If you care at all about the club BE THERE....March 11th (I will expect to see all grumblers of facilities, showers, cleanliness etc to be present).
You will notice from the accounts that only £108 was paid in for Hockey Match Fees. The reason for this is that we pay as much expenses as possible directly (unlike the Cricket Section... thus saving the club VAT. The figures for Season 1979/80 were:- Match Fees collected.....£847-50
Expenditure postage.....£331-40 stationery.....£57-60 entry fees/affiliation /Answerings.....£115-30 hiring of pitches.....£175-00 sundry items..... £60-20 paid into club.....£108.00
