Spaniards beat Bishop Stortford 3-0.

The 1st XI had a mixed weekend drawing with Cambridge and losing to Hendon in the Middx K.O. Cup (1-2). The team is apparently creating chances in all games but failing to score, but unfortunately its the side that scores that wins.

The 2nd and 3rd XIs had good wins, with neither goalkeeper being troubled. Apparently Arthur Soares did not have to make a save and David Teal wasn't brought into the action sufficiently for him to concede the normal Penalty Flick.

Goal scoring is apparently a rare feat these days so the following deserve mention:

Abe Hillel 3, Andy Parsons 2, Brian Wordham 2, Adam Benjamin, David Dixon, Tony Elliott, Robin Francis, David Randall, Will Samuel, Cay Schroder, Chris Seering, Bill Taylor, Dave Wickert.

INDOOR HOCKEY

We achieved a good win against Cheam 5-1 but failed narrowly against Surbiton 1-2. Arthur tells me the team played well and with effort and application we have a good chance in the League.

Special

We have a team competing in the Quiz Cricket at Hornsey on Friday, 22 October at 8.00 p.m. We need eleven intelligent non-graduates or fairly intelligent graduates to represent the Hockey section. Questions are on general knowledge. It could be great fun so even if you are not part of the team please come along on Friday and support.

Dave Wickert and Nigel Barker will be running the Darts team. I am not sure when the next game will be but if you can throw a straight arrow have a word with Nigel or David. They got beaten by the Ladies last time so there must be room for improvement.

GUYS AND DOLLS - DANCE 6 NOVEMBER

For 75p you will get a fabulous evening including food. There will be a wine bar for those with a discerning palate and Trumans for those who don't care.

If you've got an old banger left over from the previous night bring it along - oh, yes - and don't forget the wife.

Tickets available from Steve Thomas and Dave Wickert.

Odds & Sods

Denis Sparks is still waiting for his first volunteer to serve behind the bar on Monday evenings.

I hope you are still collecting newspapers. I am afraid I haven't worked out the logistics of bringing a couple of tons of newspapers into one port and delivering them to the company. I have had a quote of £18 a ton so I think we would earn a fair sum purely by not throwing away paper.

Don Nute has asked me to ask all those who have been praying for rain now to pray for it to stop.

SUBS ARE DUE IN OCTOBER £15 (£18 thereafter).
