Dear

**The Westminster Hockey Challenge 1991**  
**Advance Warning**

As many of you will know, Hampstead & Westminster Hockey Club, in conjunction with Westminster City Council, organised last year's Westminster Hockey Challenge with the intention of repeating the event if it proved to be enjoyable and attractive enough to the participants.

Based on the favourable coverage and responses from the teams and officials who did attend the 1990 Challenge, we have decided to stage the Westminster Hockey Challenge 1991, using essentially the same format.

Brief details are as follows:-

- Date**           7th/8th September 1991
- Venue**           Paddington Recreation Ground
- Invitees**       All teams participating in the 1990 Challenge, plus all other National/London League clubs based in London boroughs.
- Format**         Depending on number of entries, group matches followed by play-offs, semi-finals and final.
- Standard**       At your discretion, but ideally for players of 1st/2nd standard.

This letter is just to give advance warning of the event - more formal invitations will be sent out in about one month's time. One plea at this stage is that, if you are no longer (or never have been!) the person who this letter should be addressed to for your club, please give me a call at home (071 249 8696) or work (071 405 7878) to let me know who we should be contacting.

With best regards.

Yours sincerely,

**NICK OPENSHAW**  
**GENERAL SECRETARY**
