Natural woods vary in color and exhibit color changes as they age. Cabinet colors darken or lighten over time due to sunlight, smoke, household cleaners and other environmental conditions. Painted face frames and other painted product may eventually have visible cracking around the joint areas. These variations are considered the natural characteristics of the material in relation to their environment and are not covered under these warranties. Taylor Made Cabinets reserves the right to substitute discontinued product with the most similar styling, wood species, and color available at the time your claim is submitted.

Our Formaldehyde-Free Cabinet material is CARB Compliant.
