The "% share of taxes levied" represents the taxes apportioned to the town based on the % of property value in the district. For example, the Town of Merrimac is 100% of the town's tax levy while the Sauk County share increased from .39% to .43%. Even though the county's tax levy went down, the town paid a higher portion of the taxes levied based on estimated property values as determined by the Wisconsin Department of Revenue. The town's increase is based upon approval to exceed the levy limit by town electors on November 4, 2021.

\$200,000 home in Sauk Prairie School District	\$2,752.07	\$200,000 home in Sauk Prairie School District	\$3,025.51	\$273.44
\$200,000 home in Baraboo School District	\$2,839.25	\$200,000 home in Baraboo School District	\$3,037.32	

To estimate your property tax bill, look at your property tax assesment and divide your Total Assessed Value by 1,000. Then multiply that number by the mill rate for the school district you live in. These amounts are final as of November 19, 2021. Tax bills will be mailed on or before December 20, 2021.
