MEMORANDUM

To: ALL TRUCK OWNERS AND DRIVERS

From: Patrick Gavinski, P.E., Sauk County Highway Commissioner

Date: March 8, 2022

Subject: Posting County Trunk Highways as Class "B" Highways

Spring is coming and with the current weather conditions the frost is coming out of the ground and break-up of roads could be quite extensive.

The Sauk County Highway Department is posting County Trunk Highways, that is lettered highways, effective noon on Monday, March 14, 2022 as Class "B" highways, which allows the haulers to carry 60% of a legal load.

The weight restriction does not apply to town roads, they are controlled by the local townships. Be sure to check with the Town Chairperson to see if their roads are posted.

Thank you for your cooperation. This does help provide you better roads over the years.

Sincerely,

Patrick Gavinski, P.E.
Highway Commissioner
