

# SECOND ANNUAL Parktoberfest

CULVER COMMUNITY PARK

# MEAT RAFFLE

## MEAT RAFFLE, HOW IT WORKS!

One ticket for each round will be drawn. If total meat raffle ticket sales exceed \$4,000, then for every additional \$500 sold another ticket will be drawn.

**Example:** \$4,000 in tickets sold a 2nd green ticket will be drawn. If \$4,500 in tickets are sold then an additional yellow will be drawn besides the green that was achieved by hitting \$4,000. The additional ticket will be added in order shown. If we exceed \$10,000 then we would start pulling a 3rd ticket in order as described above.

## AVAILABLE TICKET OPTIONS:
