Simple Gift Options

1. Cash

Making a cash gift by check or credit card is the simplest and fastest way of supporting the Friends of Sauk Prairie Parks and Recreation. Your gift immediately goes to work helping us build a large-scale community park. Gifts can be pledged over five years and we can accommodate automatic withdrawals from a bank account or recurring charges on a credit card at intervals you select (e.g. monthly). Consider a donation as a memorial to a loved one, or in the name of your children.

2. Securities

Beyond helping build a large-scale community park, there may be significant tax advantages to you when you donate appreciated stocks, bonds or mutual fund shares that you've held for more than one year. It's a simple process to transfer appreciated securities and we will provide transferring instructions to your broker at your request.

3. Bequest

Another option for giving to the Friends of Sauk Prairie Parks and Recreation that has virtually no effect on your current standard of living is to include a bequest for the Friends of Sauk Prairie Parks and Recreation in your will or living trust. As an alternative to a bequest, you could list the Friends of Sauk Prairie Parks and Recreation as the beneficiary for all or part of a bank account, brokerage account, IRAs, or life insurance policy by simply completing a Change of Beneficiary form. You could also consider Friends of Sauk Prairie Parks and Recreation for a Qualified Charitable Distribution from an IRA.

We Need You to Make This Happen!

This park will create additional recreational opportunities for participants of all ages in the Sauk Prairie area. Our need for more park acreage, better quality field space and destination park amenities continues to grow. An investment in this park will build our community and continue to make this a great place to live, create memories, and recreate.

Your support is critical to making this happen. With an estimated cost over \$12 million, we are seeking the support of the entire Sauk Prairie Community to make this destination park a reality.
