PHASE III

THIS FOURTH AMENDMENT TO THE DECLARATION IS MADE PURSUANT to the Condominium Ownership Act of the State of Wisconsin, Chapter 703 of the Wisconsin Statutes, hereinafter sometimes referred to as the "Act", and pursuant to Article 14 of the Declaration which is dated March 30, 1981, and which was recorded on March 31, 1981, in Volume 1 of Condominiums on page 140 as Document Number 444388 at the Sauk County Register of Deeds office, by Summer Oak Coves, a general partnership consisting of John E. Kassner and John A. Kassner, the Declarants in the aforementioned Declaration and hereinafter referred to as the Declarant in this Fourth Amendment.

1. STATEMENT OF DECLARATION

The purpose of this Fourth Amendment to the Declaration is to submit additional lands, hereinafter described, and the improvements constructed or to be constructed thereon to the condominium form of ownership in the manner provided by the Act and to the terms of the Declaration of Condominium of Summer Oaks Condominium previously mentioned, as previously amended from time to time.

Declarant hereby declares that it is the sole owner of the real property described in Article 2(A) herein, except as to easements and reservations described therein, together with all buildings and improvements thereon, (hereinafter referred to as "Phase III property") which is hereby submitted to the condominium form of ownership as provided in the Act and the Declaration as previously and as herein amended, and which property shall be held, conveyed, devised, leased, encumbered, used, improved, and in all respects otherwise affected subject to the provisions, conditions, covenants, restrictions and easements of the Declaration, as it is from time to time amended, and of the Act. All provisions hereof shall be deemed to run with the land and shall constitute benefits and burdens to the Declarant, its successors and assigns, and to all parties hereafter having any interest in the property. In so doing, the Declarant adds

4th Amend.

the Phase III property as additional property, thereby expanding Summer Oaks Condominium.

2. LEGAL DESCRIPTION AND EASEMENTS

A. Description of Land. The Phase III property is described as follows:

A parcel of land located in Government Lot 5, Section 17, T10N, R7E, Town of Merrimac, Sauk County, Wisconsin, and also being part of Lots 1 through 4 of the Plat of Summer Oaks Coves;

and is depicted on page 1 of Exhibit 2 to this Fourth Amendment, as Phase III. Said Phase III property is hereby subjected to the provisions of the Declaration as it is from time to time amended.

B. Reservation of Mineral Rights. The United States of America has reserved mineral rights over the property previously described as Phase III. That reservation is contained in two deeds recorded at the Sauk County Register of Deeds office in Volume 217 of Deeds on Page 210 and on Page 335 respectively, which reads as follows:

All uranium, thorium, and other materials determined pursuant to Section 5(b)(1) of the Atomic Energy Act of 1946 (60 Stat. 761) to be peculiarly essential to the production of fissionable material, contained, in whatever concentration, in deposits in the lands covered by this instrument are hereby reserved for the use of the United States, together with the right of the United States through its authorized agents or representatives at any time to enter upon the land and prospect for, mine, and remove the same, making just compensation for any damage or injury occasioned thereby. However, such land may be used, and any rights otherwise acquired by this disposition may be

exercised, as if no reservation of such materials had been made; except that, when such use results in the extraction of any such material from the land in quantities which may not be transferred or delivered without a license under the Atomic Energy Act of 1946, as it now exists or may hereafter be amended, such material shall be property of the United States Atomic Energy Commission, and the Commission may require delivery of such material to it by any possessor thereof after such material has been separated as such from the ores in which it was contained. If the Commission requires the delivery of such material to it, it shall pay to the person mining or extracting the same, or to such other person as the Commission determines to be entitled thereto, such sums, including profits, as the Commission deems fair and reasonable for the discovery, mining, development, production, extraction, and other services performed with respect to such materials prior to such delivery, but such payment shall not include any amount on account of the value of such material before removal from its place of deposit in nature. If the Commission does not require delivery of such material to it, the reservation hereby made shall be of no further force or effect.

C. Easement Reservation. A portion of the property previously described as Phase III is subject to a utility easement reserved by Wisconsin Power and Light Company, contained in a deed dated November 6, 1913, and recorded at the Sauk County Register of Deeds office on February 7, 1914, in Volume 98 of Deeds on Page 386 which reads as follows:

"Grants the perpetual right and easement to erect and maintain a line of towers and wires for the transmission of electrical current, including private telephone wires to be carried on such towers, across a strip of land 50 feet wide in Merrimac township, the centerline of which strip is described as: Beginning at a point on North line of NW 1/4 NW 1/4 17-10-7, said point being 1085 feet East of Northwest corner of said quarter quarter section, running southerly in a straight line 1170 feet to point, thence turning 44 to right, and running southwesterly in straight line to point on west line of SW 1/4 NW 1/4 17-10-7, said point on west line of said quarter quarter section being about 305 feet north of southwest corner of said quarter quarter section. Grantee further agrees to use all reasonable care not to destroy crops or property of grantor when it comes upon or over the aforesaid 50 foot strip to erect or repair its towers or wires.

Together with the right to enter upon said premises for the purpose of erecting towers, stringing wires, repairing or removing same, the right to trim and remove such trees as may now or hereafter interfere with or endanger said line. The number of towers to be erected shall not exceed 4."

D. Reservation by Declarant. Declarant expressly declares, reserves and accepts access, recreational and

development easements over the lands herein annexed to Summer Oaks Condominium, previously referred to as Phase III property, for the benefit of, and as necessary in connection with, the development and use of lands owned by the Declarant, its successors or assigns, adjacent to or in the locale of the property subject to this Declaration. Adjacent or nearby lands shown on page 5 of Exhibit 2 to the original Declaration have been reduced by the addition of Phase II to Summer Oaks Condominium and by this, Phase III to Summer Oaks Condominium. The remaining lands to which this paragraph shall apply are described as follows as "Expansion Lands".

Such easements shall be effective whether or not said land is ultimately developed, in part or totally, as part of this Condominium. the exclusive use of the owners of the units in Phase III and their guests, tenants, invitees and licensees. Declarant and Developer shall, however, be entitled to use said parking spaces at all times. Each unit owner, by acceptance of any deed to any unit herein, shall be deemed to grant to the Declarant, its successors and assigns, an irrevocable power of attorney, coupled with an interest, to execute and record all documents and legal instruments necessary to carry out the provisions and intent of this paragraph. The easements here reserved shall be continuing covenants running with the land subject hereto.

3. NAME AND ADDRESS

The Phase III property, together with the Phase I and Phase II property, and all buildings and improvements thereon or hereinafter constructed thereon, together with any additional lands hereinafter annexed to Phase I, II and III pursuant to Article 14 of the Declaration, shall be known as

Each building contains eight units in a two-story building of principally wood-frame construction designed for exclusively residential use. All of the dwelling areas are entirely above-grade with no basement areas. Each of the units shall be on one floor level, with half of the total number of units in each building located on the first, or ground, floor and the other half of the units being located on the second, or upper floor.

The building shall have aluminium siding and/or cedar or similar appearing wood-textured siding exterior. There will be a masonry or stone veneer covering portions of the exterior. The roof shall be covered with state-approved asphalt or fiberglass composition shingles.

The units in Phase III will be in a security locked building. Each building shall have locked entry doors, prohibiting access to the building except either by key or by

being allowed into the building by one of the occupants of the building. Each unit will be equipped with an electric lock opener which will unlock the entry door to the building.

Declarant reserves the right to change the layout, location, dimensions and construction details of the buildings, units and common areas shown on the Condominium Plat which are not yet fully constructed, provided that such changes shall not substantially alter the nature and quality of the buildings and units; Declarant shall have the right to amend this Declaration at its sole discretion for the purpose of recording a Plat of Survey for Plans depicting the layout, location, unit number, and dimensions of the buildings and units as finally located and erected. Complete construction details are contained in the working plans and drawings available for inspection at the office of Declarant or at the office of the Summer Oaks Condominium Unit Owners Association, Inc.
