Upon Arrival

As you turn off the A22 into Crockstead Farm, our car park is immediately on the left hand side and clearly signposted for you. We kindly ask all guests to unpack their cars and walk down to the site (roughly 5 mins). Unfortunately we cannot allow cars to drive down the pathways to unload. Disabled access can of course be arranged with prior warning.

Pitching Up

If you have booked a Bell Tent via one of our trusted suppliers, your tent will be already set up and clearly numbered as per your booking.

If you are bringing your own tent you may pitch up anywhere within the camping field which is located behind the wedding pagoda.

If you have yet to book a Bell Tent and would like to make a last minute reservation, we suggest speaking to David at Beau & Bell.

Campervans

We have limited space for campervans in the camping field and spaces must be reserved in advance by contacting henry@crocksteadfields.co.uk

We regret that once spaces are fully reserved we cannot accept more vehicles in the field.

When driving onto the venue please ensure that you stick to the path to the **left** of the field (that will take you up and over to the camping field) and **do not** drive through the wedding field as tire marks ruin the grass.

Please also note, we have no electrical hook-ups available in the camping field.

Taxis

If you are not staying with us on site, please be advised that taxis must be booked in advance. Uber does not service our area and local drivers work solely on a pre-booked basis. We suggest calling during the week before your stay, so you have nothing to worry about on the day!

Lewes County Cars have always provided a reliable service for us - 01273 474 444

Please note, due to lack of light on the pathways to the field late at night, we do permit taxis to drive down to the field but they are informed not to cross the bridge into the event space. Please try to remember what time your taxi was booked for (easy to forget after a couple of drinks!) and meet your taxi at the bridge.

For elderly and disabled guests, arrangements can be made but please speak to a member of the team early on the day or contact hello@crocksteadfields.co.uk in advance and we can let security know.

If meeting your Taxi in the top car park is essential, we ask all guests to respect our neighbors and keep noise to a minimum when walking up the path after hours. Due to the rural surroundings of our site the pathways become very dark at night and there is some uneven ground, so please be careful.

Packing Down

We kindly ask all guests to be responsible for their own rubbish in the camping field and use the bins provided. We are an Eco-venue and we have a motto that 'the only thing left behind should be footprints and memories.'

Leaving Site

We kindly request all guests to have a vacated site by 3pm on Sunday.
